In response to the requirement for restriction dated March 18, 2003, applicants provisionally elect Group I and species A.

A one-month extension of time and the related fee is filed herewith.

It is noted that the Office Action indicates the priority document was not received. Filed herewith is a copy of the postcard receipt showing that the certified copy of the priority document was received by the PTO on December 12, 2001. Since the postcard bears the date stamp of the U.S. PTO, it is presumed that the priority document arrived in the PTO. Applicants request that a search be conducted to locate the document.

Respectfully submitted,
